## Avenue 21, Funny Town

The good people of Funny Town were just like anybody else, except for one thing. They loved to eat candy. They loved candy so much, in fact, that it was all they ever ate! And this was just fine with them. Until one morning the good people of Funny Town woke up to discover that all their candy was gone.

VIOLET

Hello, Isabella. Have you had breakfast yet?

ISABELLA

No, Violet. When I went to the cupboard this morning, all of my gummy bears were gone!

SUPER KITTEN

I don't have any more bubble gum!

LION

I had my last candy bar at dinner last night.

LUCILLE

I sure could use some more taffy.

GABRIEL, DONOREX, and TIGER come rushing in.

GABRIEL

We're all out of chocolate!

EVERYONE

Oh no!

VIOLET

What happened to all our candy?

DONOREX

What will we do for lunch?

TIGER

What are we going to eat?

ISABELLA

We need to go see Spy 7, the cat.

SUPER KITTEN

Of course! Spy 7 has the candy making machine.

LION  
He'll definitely have more candy!

EVERYONE  
Yay! Let's go!

LUCILLE  
I hope he has some taffy...

The townspeople rush off to find SPY 7, the cat. Meanwhile, in his house on Avenue 21, SPY 7 and SPY 8, his assistant are meeting with OSH, the robber, DAISY and her MERMAIDS, SWAY and his MONKEYS, and a mysterious SPACE MAN. The Space Man holds a curious device.

SPACE MAN  
Thank you, Spy 7.  
My people will really enjoy this.

SPY 7  
You're welcome, Space Man.

SPACE MAN  
Are you sure you won't miss it?

OSH  
Oh yes. We all agree that this is for the best.

SPACE MAN  
Okay. Bye bye.

SPY 8  
Have a nice trip!

SPY 7  
Just remember to use it wisely.

SPACE MAN  
I will. Take care!

As the Space Man leaves the townspeople enter.

GABRIEL  
Spy 7! We need your help!

DONOREX  
Hey, Spy 7, who was that who just left?

SPY 7

Oh, just a friend.  
Now, what can I do for you?

VIOLET

We don't have any more candy to eat!

SUPER KITTEN

Can you make us some more?

SPY 7

Oh dear. I'm afraid I can't find my  
candy making machine.

SPY 8

He's been looking for it for days.

TOWNPEOPLE

Oh no! What will we do?

OSH

There may be some candy at the store.  
I'll give you some money.

TOWNSPEOPLE

Thank you, Osh!

DAISY

Of course, they might be out of candy at the store, too.  
So we'll go to the ocean and see if we can find any food.

TOWNSPEOPLE

Thank you, Daisy! Thank you, mermaids!

SWAY

And we'll go to the jungle and see if we can find any food.

TOWNSPEOPLE

Thank you, Sway! Thank you, monkeys!

The mermaids and the monkeys head off to search for food.

ISABELLA

Thank you for the money, Osh.

OSH

You're welcome. Just do me a favor  
and stop by to see my friends on your way to the store.

VIOLET

Okay, we will!

SPY 7, SPY 8, OSH

Good luck!

The townspeople hurry off, money in hand.

SPY 8

Do you think it will work?

SPY 7

Oh, I think so.

Meanwhile, the mermaids are swimming in crystal clear waters collecting seaweed, kelp, oysters, and clams.

DAISY

There's so much to eat!

SHIMMER

I found a sea cucumber!

LILY

Look at the size of that oyster!

ROSE

Do you think they'll like sea snails?

DAISY

They will love all of it!

Let's get as much as we can!

Deep in the jungle, the monkeys are climbing and swinging through the trees, gathering as much fruit as they can find.

SWAY

There's so much to eat!

SWING

I got some bananas!

CLIMB

I found some papaya!

SWOOP

I have a mango.

SCAMP

I'm getting hungry!

SWAY

Don't worry, we'll all be eating soon.

Back in Funny Town, the townspeople stop by to visit Osh's friends, the SUSHI CHEFS.

TOWNSPEOPLE

Hello?

SUSHI CHEFS

Hello! Welcome to our restaurant!

LUIGI

Thank you for coming to visit!

JAMES

No one ever comes to visit us.

MARIO

It's so nice to see you!

SUPER KITTEN

Our friend Osh asked us to stop by.

LION

What is this place?

LUIGI

Ho ho ho! We are sushi chefs!

TOWNSPEOPLE

Sushi chefs?

SUSHI CHEFS

Sushi chefs.

JAMES

And this is our sushi restaurant.

MARIO

Can we make you some sushi?

LUCILLE

Well, we were going to buy some candy.

TIGER

But we are very hungry.

LUIGI

Here, try some sushi!

SUSHI CHEFS

You'll love it!

TOWNSPEOPLE

Okay!

The sushi chefs produce dish after dish of delicious, fresh sushi which the townspeople eat with delight.

GABRIEL

It's not candy but it sure is good!

The mermaids enter the restaurant with food from the sea.

MERMAIDS

Hello!

SUSHI CHEFS

Welcome to our restaurant!

DAISY

We brought you food from the sea!

TOWNSPEOPLE

Yay!

DAISY

Have some oysters and clams and seaweed and kelp!

The townspeople eat.

VIOLET

It's not candy but it sure is good!

The monkeys arrive with fruit from the jungle.

MONKEYS

Hello!

SUSHI CHEFS

Welcome to our restaurant!

SWAY

We brought you fruit from the jungle!

TOWNSPEOPLE

Yay!

SWAY

Have some bananas and mangoes, papayas and pears!

The townspeople eat.

DONOREX

It's not candy...

ALL

...but it sure is good!

Spy 7, Spy 8, and Osh enter the restaurant.

SUSHI CHEFS

Hello!

OSH

I see you found my friends the sushi chefs.

GABRIEL

Yes, and we are having a delicious meal!

TIGER

We never knew there could so many different kinds of food!

SPY 7

And it's much better for you than eating candy all the time.

VIOLET

Spy 7, losing the candy making machine may  
be the best thing that ever happened!

SPY 7

Well, I didn't really lose it.

TOWNSPEOPLE

What?

OSH

He gave it to a friend.

SPY 7

We all thought that it might be better for  
Funny Town if we didn't just eat candy all the time.

OSH

So we got the Sushi Chefs, the mermaids, and the monkeys  
to help us find some new kinds of food.

SPY 7

Do you like it?

TOWNSPEOPLE

Oh yes!

SPY 7

We can still have candy.

DAISY

Just not all the time!

And then they all sat down to have a most wonderful meal.
