The curtain opens on two figures looking into a screen. One of them is holding a button and is about to press it.

NEO BOB

Just one planet at a time.
Soon the whole galaxy will be mine!

IT

Why are we doing this again?

NEO BOB

Don't you get it? A galaxy all to ourselves!
It's every boys dream!

IT

Yeah! Okay.

(She starts to rap)

Getting our own galaxy
What every boy wants to be
Bombing and destroying,
It doesn't get annoying.

NEO BOB

You're annoying! Stop rapping!
Look! See what you made me do?
I pressed the button too soon!

We hear the sounds of explosions.

NEO BOB

Let's go look out the ship window.

The two exit. The next scene is on earth. The people are in a panic. Their earth has been destroyed by a huge bomb. They are running to a spaceship.

CARL QUICKSILVER

Move it old man!

CAZOO

I forgot my shoes!

FURI

I ordered a hamburger!

KAWENGA

Forget the hamburger! Run to the ship!

AQUAMARINE

What will happen to the circus?
Will there be a circus on the moon?

BILL

I hope we'll be okay on the moon?
I don't know that this is such a good idea.
Maybe we should stay.

HOSHOW

I haven't finished delivering all my mail!

JACKIE

Don't worry Hoshow, we don't need the mail right now.

NONAME

Hurry up! We need to get into the ship!
We have to go now!

ALL

To the ship!

BOB

(Pointing to Peace guy and girl)
What about them?

ALL

Yeah! What about them?

PEACE GUY

We're staying here.
Peace be with you!
Bye everyone!

PEACE GIRL

Bye friends!
Make peace not war!

SLIMY

Come on! Let's go!
It's too dangerous to stay here!

The ship carrying the remaining earth people takes off. Peace Guy and Peace Girl are left alone.

PEACE GUY
Do you think they'll be alright?

PEACE GIRL
Yeah! I think so.

PEACE GUY
So what are we going to do?
The earth is destroyed and we are here alone.

PEACE GIRL
Live in peace?
Think peaceful thoughts?

PEACE GUY
I know, let's use our peace powers to restore the earth.
Ready?

Peace Guy and Peace Girl make the peace signal. They exit. The next scene is on Tropical Moon. It has been a few months since they left the earth. They have started a group therapy session to gather together to talk about those they have lost and also just to enjoy each other's company.

BOONGA
Hello friends! We have gathered again to eat and talk about our lives.
My name is Boonga.

EVERYONE
Hi Boonga!

BOONGA
I lost my parents on my way here to the moon.
My parents were carried away by an Eagle.

MISSY MISSY
Carrots!

BOONGA
Thank you Missy Missy!
That makes me feel better.

GALORE
Hi! My name is Galore.

EVERYONE
Hi Galore!

GALORE

My parents were taken away by a giant strawberry.
It was a nice peaceful day on the strawberry picking farm,
and the strawberry came and took my parents away.

J.J.

Hi! Hi! Hi!

COO COO BOB

Rrrrrr!

BOONGA

I think that means, sorry.

GALORE

Thank you Coo Coo Bob! Thank you J.J.!

CAZOO

Hi my name is Cazoo!

EVERYONE

Hi Cazoo!

CAZOO

And I turn into a super chicken.

EVERYONE

Hi super chicken!

CAZOO

No! I turn into a super chicken. Like this!
(He shows them)

EVERYONE

Ohhhh!

JOJO

Are there any more brownies?
They were delicious.

WAFFLE

Thank you! I made them myself.
It's a secret recipe.

BOB
Here are some more!
Brownies anyone?

BILL
I don't know...what is that secret ingredient?
It worries me. I better not.

CARL QUICKSILVER
Okay! Before I say my name, can you
promise me you won't do the freaky zombie voices?
Okay, my name is Carl Quicksilver.

EVERYONE
Hi Carl Quicksilver

CARL QUICKSILVER
Yeah! Like that. Don't do that.
I seriously don't like that voice.

MISSY MISSY
Carrots!

J.J.
Hi!

COO COO BOB
Rrrrrr!

CARL QUICKSILVER
Yeah! When I was little, this gigantic Kimodo dragon came and
ate my parents. I did not like it. I just barely escaped with my whole body.
I have everything except my foot.

FURI and JOJO
Is there any more food?

JOJO
Pie, maybe?
I sure like pie!

NONAME
You just came here for the food, didn't you?

Just then an alien crashes into the middle of their meeting. It is Galaxar.

EVERYONE

Ahhhh!

CARL QUICKSILVER
Quiet! Let the man speak!

MUNCH
Who are you?
What are you doing here?

GALAXAR
I am Galaxar. I am an alien.
I was tracking with my radar when I found you.
I also found a weird guy, Neo Bob!
He had a bomb thingy and he
wants to blow up this planet.

BILL
I knew it! Oh what will we do now?

NONAME
Is it the same guy who bombed the earth?

GALAXAR
He did talk about the destroyed earth.

AQUAMARINE
What are we going to do?
We have nowhere else to go!

JACKIE
Maybe we could talk to him?

HOSHOW
Maybe we could send him a letter?

KAWENGA
I don't feel good about this.

WAFFLE
We should sing. It will make us feel better and
we can make a decision when we are less stressed out.

EVERYONE
Great idea!

The group starts singing a song to make themselves feel better. As they sing they are joined by Peace Guy and Peace Girl who have traveled from the earth.

EVERYONE
Peace Guy! Peace Girl!
You're back!

PEACE GUY
We restored the earth with our peaceful thoughts.

PEACE GIRL
We thought we'd come tell you it was alright to come back.

SLIMY
We just found out that Neo Bob is going to destroy the moon.

COO COO BOB
Rrrrrr!

BOONGA
She says we've got to stop him!

MISSY MISSY
Carrots!

J.J.
Hi! Hi! Hi!

MUNCH
I think they agree.

KAWENGA
We've got to come up with a plan.

CAZOO
I know! Follow me everyone!

BILL
I don't know...

CAZOO
Come on! I think I have a good idea.

Everyone looks at each other then follows Cazoo off stage. New scene opens with Neo Bob and It plotting to bomb the moon.

NEO BOB
You never listen to me!
All you care about is rapping.

IT
All you care about is your own galaxy!

NEO BOB
This is important to me.
So, we are going to attack the moon!

IT
How are we going to do that?

NEO BOB
Well, I was thinking of sending in some more Eagles.
Maybe some strawberries again and Kimodo Dragons.

IT
Maybe we could send some scary vegetables this time.

NEO BOB
We could.

IT
We could just blow up the moon like the earth.

NEO BOB
It wasn't supposed to be like that.
I accidentally pushed the button and sent too many bombs.
I want a nice, healthy galaxy, not one that's destroyed.
We should go talk to the genius. He'll know how to do it.

IT
Which one?

NEO BOB
The one with the green face.

IT
Which one? There's two.

NEO BOB
The smarter one.

IT
But they're both not smart at all.
We should figure this out on our own by guiny rapping!

NEO BOB
No! Not by guiny rapping!
We should just send the Eagles.

IT
No, last time they skipped the kids.
They only took the parents.
Just like the strawberries, the bubbles, the dogs, the dragons,
and same with everything that we do,
they skip the kids because they are soooo nice.

NEO BOB
Fine! I'm just going to bomb the moon.

IT
I don't know....
I feel a rap coming on!

They exit. The scene shifts to the people living on the tropical moon. Galaxar is digging a hole to the center of the moon.

NONAME
So, you're sure this hole will be deep enough for the bomb to explode and not hurt us.

GALAXAR
We dig a hole. The bomb drops into the hole.
It explodes way down there and not up here.

JOJO
This is worrisome! What if it doesn't work?

CAZOO
I'm super chicken! I'll protect you!

PEACE GIRL
Don't worry. I'm thinking peaceful thoughts.

PEACE GUY
The peace will surround the bomb like a pillow.

PEACE GIRL
Come on everyone, join hands and be peaceful.

Everyone joins hands and looks up at the sky. All of the sudden they look at the hole as though something fell from the sky.

AQUAMARINE
Was that the bomb?

JACKIE
We haven't blown up!

EVERYONE
We're okay!

FURI
I'm hungry. Anybody for some grub?

JOJO
I could eat something. Anyone else?

KAWENGA
How can you eat? My stomach is all knots.

PEACE GUY
Peace brothers and sisters!
Let's calm ourselves with a tune.

The group of people begin to sing and sway a peaceful tune. Watching from their spaceship are It and Neo Bob.

IT
They've got some good tunes.

NEO BOB
Blast it! It didn't work!
I'll have to find another galaxy.
This time with no peaceful people!
Come on! Let's go!

Back on the moon.

GALAXAR
My radar indicates that Neo Bob has left.

EVERYONE
Yay! Good job! Alright! Carrots! Rrrrr! Hi!
