FOR THE ARTS

- Tomorrow is an early dismissal day. Please check the Bell Schedule for your child's early dismissal time.
- Carpool needs your help.
- Lunch Orders due tonight 9 p.m.

Dear LFCSA families,

What a wonderful first day for the kids! All of the classes reported having smooth transitions, and everyone was working on building community and classroom culture within the first hour of school.

Tomorrow parents are welcome to park behind the black gate and walk their children on to the playground, but will not be allowed inside the building.

Please talk to your child about this transition. Although this may be difficult for you and your child, we appreciate your support in helping our teacher's build classroom morning routines.

Carpool

On the other hand, we do need to help each other, and work as a community for carpool.

Please know that the first days of carpool are always the hardest, as new folks learn our procedures, and all of us are adjusting our own schedules.

We have a staggered dismissal to help alleviate a back log, and we need everyone to remember these important things so that we can all have a less stressful carpool line..... for the next 179 days of school...

- Pick up your child **at your scheduled time**. Coming earlier backs up the line since the children aren't out yet.
- **Stay in your car**. Do not park and go to the gate to request children. Moving in and out parking spaces also delays the line.
- Only those who park on San Fernando, or take public transportation, will be able to request children at the gate. This is usually a small number of people.
- Don't let children out of your car until you make it all the way through the carpool loop.
- Again, everyone must use the carpool line to avoid the delays we experienced today.

If everyone does their part, things will greatly improve. You will begin to notice in the next few weeks carpool will become much smoother. Thank you for your patience.

Grade	Class Start	Pick up Time MWRF	Pick Up Time Tue.
K/1st	8:00	2:40	1:40
TK/K	8:20	2:00(TK) / 3:00	2:00

4th/5th	8:45	3:25	2:25

Be a good neighbor

Finally, just to give you a "big picture" - **we are here on a conditional use permit**, meaning that we are allowed to be in this complex as long as we adhere to rules and policies.

Two important facts for everyone to know is that we need to maintain good relationships with our neighbors. **Do not parking in our neighbor's spaces**, and drive within the **10 m.p.h. speed limit**.

If you ever need to park, please do so behind our black gate.

If there are no spaces, you can double park, and leave your name, teacher's name and phone number on the dashboard so the person you are blocking can contact you.

Together we can make this process one that works for everyone.
